

Kendra's Kisses

The Kendra Vermont Foundation

September 28, 2009

Dear Sponsor Candidate;

We at Kendra's Kisses, The Kendra Vermont Foundation are pleased to announce our 2nd annual Memorial 5K Run/Walk. On March 28, 2010 we will be holding our second annual event at Markham Park in Sunrise, Florida. Our first race was a huge success thanks to our generous sponsors and support throughout the community.

Kendra's Kisses is an organization dedicated to assisting children battling cancer. As this is a prestige event for our organization, your help would be instrumental in providing a quality experience. Making this race successful this year and in the future can only be accomplished with the generosity of you and your corporation. All proceeds from our tournament will directly benefit the children in South Florida. Donations are tax deductible due to our 501(c)3 designation.

We realize the immediate concerns of our future economic uncertainty, but one thing that is certain is the number of lives touched each year by the effects of cancer. We have personally experienced the compassion and generosity of the South Florida community when our family dealt with our daughter Kendra's battle against childhood cancer. Most of you, we're certain, have also experienced the devastating effects of cancer in some form or another. We ask you to please partner with us to support those who are in this terrible and courageous battle, and ensure we have a successful event.

If you have any questions about our organization or donations, please feel free to visit our website at www.kendraskisses.org. Thank you in advance for your interest and support. Sign up information is attached.

Sincerely yours,

Marc Vermont, President

Christy Vermont, Vice President
